[Today's Date]

Contents

This is the beginning of my document. Here is some example text that would start if off.

Favorite Fruits

My favorite fruits are different, depending on what is in season.

- Summer
  - Apples
  - Pears
- Winter
  - Bananas
  - Oranges

Other comments on fruit

When I'm kind of excited to eat an apple, I use *italicized text.* However, when I am especially excited, I use **bold text**.

My favorite digital products

Favorite Search Engine

My favorite search engine is Google. You can find it at this hyperlink

Other fun facts

R can be used as a calculator, like below

```
1 + 2
```

```
## [1] 3
```

# Final product

A picture of the final product of this exercise should look like this.

Figure 1: My first Rstudio Project
